Proposed Infrastructure Investment

* indicates a required field

Please refer to the Program Guidelines for more information about how the grant funding can be used to help pay for eligible infrastructure improvements that will improve drought preparedness and better position the farm business into the future.

The minimum value of a grant to eligible applicants is \$1,000 (excluding GST) The maximum amount is \$5,000 (excluding GST). Eligible primary production businesses must provide a matching co-contribution equal to or greater than the approved grant amount.

Applications must be supported by a quotation for the proposed infrastructure investment

- You will be advised whether your application has received 'In Principle' approval or has been declined
- Upon receiving 'In Principle' approval, applicants are required to purchase infrastructure investments within three months of the date of approval of the On-Farm Drought Infrastructure Grant

Should an initial application be for less than the maximum grant amount, up to two claims may be submitted up to the maximum grant amount available. Any additional claims will be considered by Rural Finance on a case-by-case basis and subject to funding availability.

On completion of the infrastructure project, the grant payment will be made following submission of evidence of payment for the infrastructure (e.g. invoices and official receipts).

Proposed Drought Infrastructure Investment Activities

e.g. Items to construct a new or upgrade an existing Stock Containment Area – such as fencing, gates, troughs, piping, tanks, pumps and livestock feeders. e.g. Reticulated water systems using pumps, piping, tanks and troughs for livestock e.g. Irrigation System upgrades
